

HARVEST OF PRAYERS

16 October 2016

On Sunday 16 October we celebrated Harvest Thanksgiving at All Saints. Cynthia Greenwood and Fr David assembled an ornamental display of canned and fresh goods before the altar. Fr Patrick brought fresh grapes and Jules brought rather large baguettes. Anne contributed dried corn and grasses.

All the regular harvest hymns were sung: "*Come ye Thankful People Come*" and "*We Plough the Fields and Scatter*" and even "*I am the bread of life*" which is perhaps better known for its rousing chorus, "*For I shall ra-a-aise you up...*".

Afterwards many went off to friends or family Harvest dinners, but a remnant remained for a splendid shared potluck lunch.

Roxana and Cynthia set up the splendid buffet lunch.
